## CREAM OF THE EXPOSITION

Not the Nondescript Article Sometimes Offered.

BUT A PICTORIAL SORT

NOW DAINTELY SERVED IN "THE FOREST CITY" WORLD'S FAIR ART PORT-FOLIOS.

The frequent sojourner at the great universal exposition is not so foolish as to spend much time asking for cream with which to temper the austerity of his Mocha or Oolong.

As a usual thing the lactical fluid is pulled in from the country at such a lively rate that the cream doesn't have an opportunity to rise to the occasion.

But, while the bovine commodity is sluggish in making its appearance, or does not appear at all, literary and artistic cream is rising rapidly and being daily skimmed for the delectation of intellectual tastes.

In the latter behalf, the official photographer of the exposition is by far the most active and persistent purveyor.

He is there for the purpose of securing all the photographic cream the great exposition can offer; he has a large order to fill, for he has instructions to allow no good thing to escape.

He himself and his assistants work early in the morning and late at night as is evidenced by the superb night scenes which the faithful camera records.

The results attained are those of which any artist may well be proud, and the best of all these have been secured for the famous "Forest City" series of World's fair art portfolios, now being distributed to our readers.

Now easy it is to secure these matchless views is shown by the fact that it is only necessary to send or bring one of the little coupons clipped from our announcements, which appear from time to time, together with 10 cents to pay cost of handling, wrapping, mailing, etc., and any portfolio will be promptly sent.

The series when complete will afford a vivid and interesting pictorial history of the exposition, and thus become a valuable souvenir and record for personal possession and study.

## A NEW PRINCIPLE IN MEDICAL SCIENCE.

For years it has been the practice of medical men to treat patients suffering from piles by local, external applications. These treatments give but temporary relief, but have never effected a positive cure.

After months of research and study, accompanied by actual experience with various patients, Dr. C. A. Perkin arrived at a positive conclusion as to the exact action of the various parts of the bowel system, under different conditions, and when subjected to various prescriptions.

He finally prepared that wonderful internal remedy known as DR. PERKIN'S PILE SPECIFIC, which is put up in bottles, retailing at all reliable drug stores for \$1.00 each. This internal remedy has been on the market for the past ten years, and in all of that time there has been but three cases where a positive cure has not been effected.

Dr. Perkin's Pile Specific is sold under a positive guarantee by the druggist making the sale, to refund the full purchase price, providing the remedy fails to cure. This is the absolute proof of its merit. Any man or woman who suffers from blind, bleeding, itching or internal piles can try this internal remedy with the absolute certainty that it will cost nothing unless it cures. Here is what one sufferer says of this wonderful remedy:

Dr. C. A. Perkin, Helena, Mont.—I wish to thank you for the cure your wonderful medicine has done for me. I had the piles some five years, and under the advice of a doctor had them removed by the knife and felt free for awhile, but they returned and I at once got a bottle of your Perkin's Pile Specific and one bottle has entirely cured me, and I am as good as I ever was. Yours truly, JACK SULLIVAN, Chicago.

Better get a bottle of your druggist today and get relief from present and future suffering.

DR. PERKIN MEDICAL CO., HELENA, MONT.

SIXTY WOMEN DELEGATES

To the National Prohibition Convention—Temporary Chairman Has Been Selected.

By the Associated Press.

Indianapolis, June 28.—The national prohibition committee selected as temporary chairman of the national convention, tomorrow, Herman J. Castle, Pittsburg, temporary secretary, W. G. Calderwood, Minneapolis. Treasurer's report showed \$175,900 had been received and expended by the national committee during the past four years, leaving \$11,000 in the treasury.

The first session of the convention will begin at 10 o'clock tomorrow morning. After temporary organization and appointment of committees the convention will adjourn till 2 p. m., when committees will report. Resolutions committee will report at the evening session. Nomination will be made Thursday.

A letter written by General Miles to John G. Woolley, Chicago, and dated June 29, is believed by many to eliminate Miles from consideration as a presidential candidate. Arrival of the Illinois delegation has increased the movement to make National Chairman Stewart the presidential nominee. Of the 1,200 delegates expected to attend the convention, sixty are women.

NOT GUILTY.

By Associated Press.

Coldwater, Mich., June 28.—After ten minutes' deliberation, the jury found Karl Ludwig not guilty of the murder of her husband, John, to whom she had been married but a few months.

## HEAD DOWN

Hung Two Men On Steps of Passenger Train As They Fought.

Toronto, Ont., June 28.—Two large men fiercely fighting on the platform of a rapidly moving mail train, punching and wrestling and wildly swaying about, with the train, heading nothing but their desire for ascendancy, and finally rolling down the steps and hanging head downward while the train sped on—such was the wildly thrilling episode tonight on Cleveland and Pittsburg passenger train, No. 263, west bound, and due here at 3.45.

At Empire, three miles east of here, Conductor Burlington had some difficulty with Wilbur Brown over his fare. Brown was until recently a railway employee. Both are powerful men and have been warm friends.

Different stories are told as to who started the fight, but in an instant the men clinched and a desperate struggle resulted on the platform until they fell down the car steps, and it seemed inevitable that both would go overboard to certain death in full view of the horrified passengers.

At this juncture, William Burke, a passenger, a man of giant physique, rushed down the steps, dragged both men back on the train and parted them.

The train was brought to Toronto where the conductor reported the matter to the superintendent. Both men had their faces cut up and were bleeding. The running fight was not only witnessed by the passengers, but by many on the ground, as the train dashed along. The conductor's cap was found along the track.

A Strong Heart

Is assured by perfect digestion. Indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain off the heart and restores it to a full performance of its function naturally.

Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood tissues all of the food nutriment. Tones the stomach and digestive organs. Sold by Metzger's Drug Store.
